

Future Expansion

82 Stratford Drive is about to look a whole lot different! The Village has approved our expansion, permits are ready to go, and we will be breaking ground in a few weeks. Thank you for your ongoing prayers for this process!

Ongoing Ministry

We're celebrating over **200 families** visiting Mission for the first time, **770 of our adults** choosing to grow intentionally through the Growth Track, and we're preparing to have **100 Missional Communities launched** which has allowed us to see more baptisms than ever before. Our dependency on the Spirit got us here!

Your Generosity
